Shenzhen, China

Subject: A Note of Appreciation

Dear Dr. Shinji Suzuki,

On behalf of Chairman Yang JinCai and the Secretariat of the WUAVF, we greatly appreciate your contribution to the 5th Drone World Congress (DWC) as a speaker. The event was successfully held in Shenzhen from May 21st to 23rd, 2021. With support of the global drone community, we were able to welcome 20+ distinguished academicians, 350+ guest speakers and 8000+ attendees to Shenzhen.

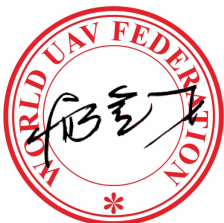

Additionally, representatives from Embassies and Consulates of more than 30 countries including Pakistan, Ethiopia, Switzerland, Sudan, Russia, India, Belgium, Peru, the UK, France, South Korea, Poland etc. attended. Furthermore, officials from Shenzhen Municipal Government, Nanshan District Government, key leaders from global organizations and well-known industry scholars delivered opening remarks and keynote speeches at the Congress's main forum located at the InterContinental Hotel.

In parallel with the DWC, over 1000 innovative drone products were showcased at the three-days Expo in Shenzhen's Convention & Exhibition Center. The newly-launched Drone Soccer and Robot Master Competition were the highlights of this year's Expo. Additionally, 30+ professional sub-forums were successfully conducted featuring in-depth discussions on inspection and standardization, industrial parks development, etc. for the industry and UAV's application in police affairs, firefighting, emergency rescue, precision agriculture, logistic services and so on.

In order to provide you a better experience for next year's DWC, feel free to let us know any ideas or suggestions via email at int@wuavf.com.

We look forward to welcoming you in person at the 6th Drone World Congress in May 2022!

Sincerely,

WUAVF Secretariat
On behalf of Chairman Yang JinCai
